

Night time bowling

Go to the dollar tree and buy a pack of glow sticks

Fill empty used water bottles with tap water

At sunset activate the glow sticks and place them inside the bottles of water

Place the cap on the bottles

Set your 'bowling pins' up

Find a soccer ball, basket ball, volley ball, softball, baseball, or any kind of round object you can use as a bowling ball

Gather your family for a fun evening

Gift ideas

You can make:

mom a placque for mothers day

dad a plaque for fathers day

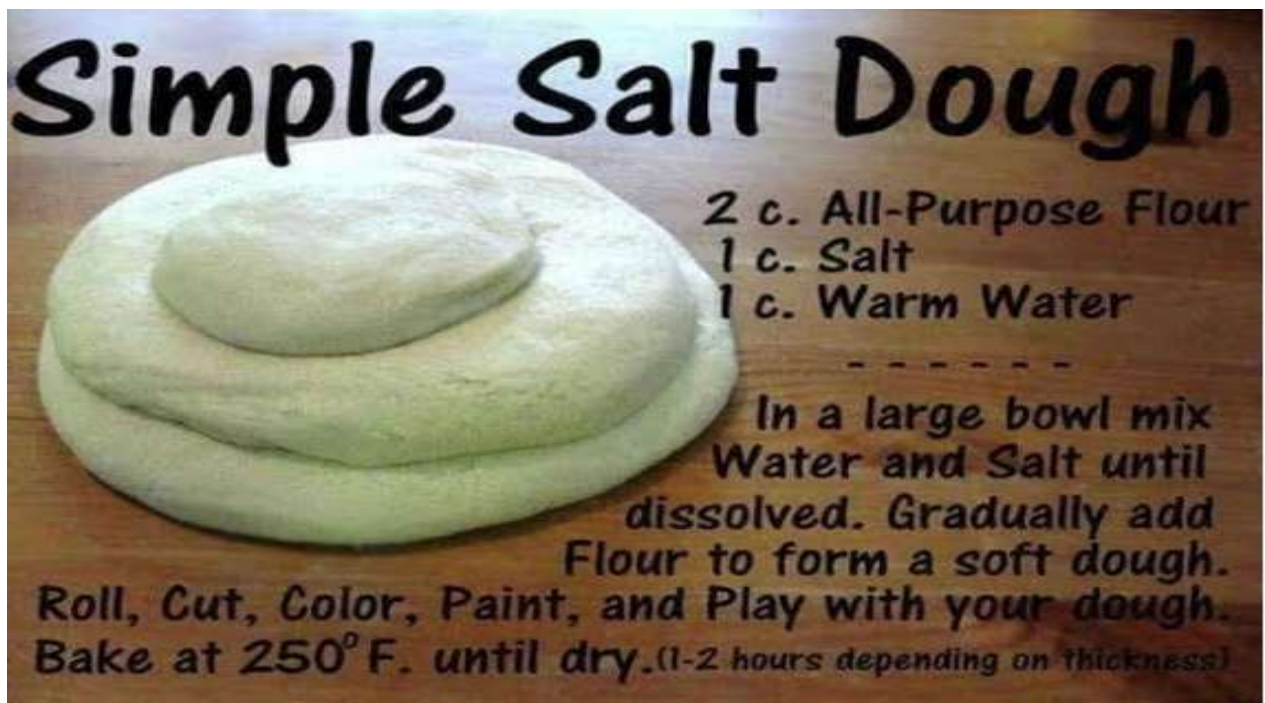

a birthday present

early christmas presents

May Day basket

The possibilities are endless

Please get parents permission before using the oven

If you mix Elmers Glue with a couple drops of food coloring and paint it on anything glass, it will create a seaglass effect.

How to make unpopppable bubbles:
Mix 6 cups of water, 1 cup of corn
syrup, and 2 cups of regular Joy
dish soap. Have fun!
