PHYSICAL DEMANDS/WORKING CONDITIONS:

Spends the majority of the day standing and sitting in the classroom. While standing the teacher will frequently hold light objects they are working and demonstrating, etc. These can be held from waist level to slightly above the teacher's head. Teacher must be able to walk through the classroom and be able to maneuver in tight spaces between desks. Dealing with students can entail kneeling or squatting, stooping and bending from 50-70 degrees at the waist on an occasional to frequent basis on a given day. The chalkboard or white board is occasionally to frequently used which can require grasping the chalk or marker or eraser, reaching at, below or above shoulder height with the dominant upper extremity and may require trunk or neck rotation to look back at class.

Teachers may be required to do playground/yard duty, which involves walking on even and uneven surfaces including pea gravel and negotiating a 6" curb.

The teacher may use computers, overhead projectors, TV, VCR, etc. which would require a 10 pound force to push or pull the TV/VCR stand. The overhead projector requires 5 pounds of force to move. When working with equipment it may also be necessary to forward bend, squat, and/or kneel.

The teacher often moves children's desks and chairs to change the layout of the classroom to influence teaching situations. It is occasionally necessary to lift and carry boxes weighing up to 25 pounds from the office to the classroom up to 200 feet away.

The teacher must sit on an occasional basis when developing lesson plans, grading, etc. This is done at the desk with forward bending from the waist, leaning on the forearms, and looking down which requires neck flexion. It is necessary to grasp and manipulate pens, markers, scissors, staplers, etc., either occasionally or frequently, depending on the day. May occasionally have to climb or balance on counters, step- ladders or chairs.

This position works in a variety of settings including classrooms and outdoors and may experience heat or cold extremes as well as fumes, odors, dust, and noise level is moderate to loud.
